Everything about Verdant Organics products, ingredients, certifications, and subscriptions.

1. About Verdant Organics

Verdant Organics is a direct-to-consumer organic food and wellness brand founded in 2017 in Portland, Oregon. We sell pantry staples, plant-based snacks, cold-pressed beverages, and supplements through our website, mobile app, and a growing network of retail partners. Every product is USDA Organic certified, non-GMO verified, and made without artificial preservatives, colors, or flavors.

We source from a network of 140 partner farms, 80% of which are family-owned, and publish the origin of every primary ingredient on the product page.

3. Certifications & Standards

- **USDA Organic** — at least 95% organic ingredients, verified annually by an accredited certifier.
- **Non-GMO Project Verified** — independent testing of at-risk ingredients.
- **Certified B Corporation** — audited social and environmental performance.
- **Glyphosate Residue Free** — third-party tested on grain and legume products.
- **Compostable packaging** — over 70% of our packaging is home- or industrial-compostable; the rest is recyclable.

4. Allergens & Dietary Information

Every product lists a full ingredient deck and allergen statement. Our facilities handle tree nuts, peanuts, soy, and sesame. Products are clearly labeled, and we maintain dedicated allergen-free production lines for our certified gluten-free range.

Dietary tag | What it means at Verdant

Vegan | No animal-derived ingredients or processing aids

Gluten-free | Tested below 20 ppm gluten on a dedicated line

Keto-friendly | Net carbs under 5 g per serving

Sugar-conscious | No added cane sugar; sweetened with fruit or monk fruit

5. Subscriptions (Verdant Refill)

Verdant Refill is our subscription program. Choose products and a delivery cadence (every 2, 4, or 8 weeks) and save 15% on every recurring order plus free shipping over \$35. Subscriptions are fully flexible — skip, pause, swap items, or change cadence anytime before your next cutoff date, which is 3 days before the scheduled ship date.

- 15% recurring discount on all subscription items.
- Free shipping on subscription orders over \$35.
- Early access to seasonal and limited-edition products.
- Pause for up to 3 months without cancelling.

6. Storage & Freshness

Shelf-stable products show a 'best by' date and are safe to consume until then when stored cool and dry. Cold-pressed beverages are perishable, ship in insulated packaging with ice packs, and should be refrigerated on arrival and consumed within the date printed on the bottle. If a chilled item arrives warm, contact us for a replacement — see the FAQ.

Orders, Shipping & Customer Care Processes

How ordering, delivery, returns, and customer support work at Verdant Organics.

1. Placing an Order

Orders can be placed on our website or mobile app. Guests can check out without an account, but creating one unlocks order history, faster checkout, and subscription management. Orders placed before 1:00 PM Pacific on a business day are processed the same day.

2. Shipping & Delivery

Method | Cost | Transit time | Notes

Standard | \$5.95 (free over \$49) | 3–6 business days | Shelf-stable items only outside cold zones

Expedited | \$12.95 | 2 business days | Recommended for warm climates

Cold-chain | \$14.95 | 1–2 business days | Required for cold-pressed beverages

Subscription | Free over \$35 | 3–6 business days | Ships on your cadence

We currently ship within the United States and Canada. Tracking is emailed when your order leaves our fulfillment center in Reno, Nevada. Perishable orders are not shipped on Thursdays or Fridays to avoid sitting in transit over a weekend.

3. Returns & Refunds Policy

Because we sell food and wellness products, our return rules protect food safety while keeping you covered:

- **Damaged or defective** — report within 14 days with a photo for a free replacement or full refund.
- **Wrong item shipped** — we send the correct item and a prepaid return label, or refund in full.
- **Perishables arriving warm/spoiled** — replaced or refunded; no need to return the product.
- **Unopened shelf-stable items** — returnable within 30 days for a refund minus return shipping.
- **Opened consumables** — not returnable for hygiene and safety reasons, but we will make it right if you are unhappy with quality.

Refunds are issued to the original payment method within 5–7 business days of approval. Our team can also offer store credit, which is issued instantly.

4. The Verdant Happiness Guarantee
